

At Chanticleer Café and Bakery we use coffee products from local coffee roaster [Joe Van Gogh](#). Joe Van Gogh has relationships with a Honduran Farmer, Peruvian Co-op, a Columbian importer and a tribal plantation of Papua New Guinea. They use an artisan approach while roasting the beans to perfection right here in Hillsboro, NC.

Our Sweetbird flavor syrups are a product of the UK. They are 100% free from High Fructose Corn Syrup, artificial preservatives, colors and GMOs.
